

Amendments to the Drawings

Sheets 1 of 3 and 3 of 3 have been amended.

Figure 1 on sheet 1 of 3 has been amended to correct the numerical identifier associated with the functional block labelled as "1s" from 115 to 120. The same amendment has been made to Figure 3 on sheet 3 of 3.

Also in Figure 1 on sheet 1 of 3, the arrowhead located adjacent to and pointing in the direction of "CLK 110" on line 112 has been removed and an arrowhead has been added that is located at the junction of lines 111 and 112 pointing away from the direction of "CLK 110". A second arrowhead has been added that is located on line 112 adjacent to and pointing in the direction of "SAMPLES 130".
